Flow, organization, no KY, zoom option, dance space and decorations, free table,
Location, nature, food, kitchen staff, good weather, meals together, relaxing time

Want more of:

Free time, extra day, music jams, young people, free tables, longer zikr, storytelling, walks,
small group activity, simpler deeper practices, culture of encouragement

Want less of:

Fussing with mics, delay swapping headsets, long explanations, abbreviated explanations

Heard about it:

Emails, word of mouth, been before, other circles in region, camps

Musicians:

Please announce key of dance to musicians

Schedule: most liked it, some want more free time, liked enough time to get to meals
between sessions

Mix of leaders: most liked it, many want more young leaders. 2 wanted deeper with fewer
leaders, 1 wanted outside senior leader every other year

Microphones: Too much fulling, need to have a mic training session for all leaders. Voices
muddled if mic not placed well. Good sound team.
